Residential Construction Performance Guideline

Residential construction performance guidelines is the most widely used recommendation by the home building and remodeling industry on how homes should perform during the warranty period. This course explains the why and the how to help builders and remodelers manage customer expectations and resolve customer complaints, while delivering high-performance homes.

Instructor: Tom Gotschall

CEU: 3

1:00 p.m.- 4:00 p.m.

**Alabama Contracts & Law
(Alabama specific)**

This course is a comprehensive overview of Alabama specific home building contracts and law. Topics include contract basics, HBAA contracts, change orders, the closing, risk of loss, warranties, and arbitration.

Instructor: Jamie Durham

CEU: 3

Person attending the class must be the License holder or the Designated Qualifying Representative (DQR).
