

# 2024 QCI STORMWATER TRAINING

## SAVE TIME AND MONEY!

Get the tools you need to be compliant with stormwater regulations while saving time and money. Since 1999, the Home Builders Association of Alabama (HBAA) has been the leader in providing Qualified Credentialed Inspector (QCI) training in Alabama.

This award-winning program, a joint effort between the HBAA and ADEM, provides basic tools and strategies to help achieve and maintain compliance with the stormwater rule at all construction sites. Engineers with TTL, professionals in erosion and sediment control who are ADEM-approved, will teach the course.

You will learn:

- Construction Best Management Practices (BMPs) required to meet water quality objectives
- How to perform inspections under ADEM NPDES permit rather than hire engineers or consultants to do it, saving you time and money
- How to avoid ADEM/EPA/local enforcement actions and associated costs

*This course has been approved by the State of Alabama Home Builders Licensure Board for 8 hours of CE.*

For more information, contact Louise Brown at 1-800-745-4222 or email [louisebrown@hbaa.org](mailto:louisebrown@hbaa.org).

## UPCOMING TRAINING

### Hoover (Greater Birmingham AHB Office)

January 16  
May 9
