

Sign up today for Continuing Education courses for licensed builders!

All licensed builders are required to have six hours of CE courses completed by December 2026 to get their 2027 builders license renewed. In one day you can complete all of those CE hours.

The Greater Morgan County Builders Association will be hosting a
"Done in a Day" Class
September 24th.

The class will be held at our office, 1501 4th Avenue, Decatur.

8:30 am – 2:30pm Safety 6

Safety 6 educates participants on common residential and light commercial jobsite hazards. The content provides a concise and easy to follow description of the safety rules governing most construction jobsites. It offers practical injury prevention measures, including resources for developing an effective safety and health program plus information on products that can make the jobsite safer and more productive. Safety 6 provides instruction on how to respond to an OSHA inspection. Builders can learn how to protect themselves from OSHA citation and penalties by attending this course.

Instructor: Angelo Pate

**This course has been approved by the State of Alabama
Home Builders Licensure Board and meets the Subject Matter Specific
Requirement.**

Class Fee \$125

Lunch Provided Free by GMCBA
